WORKSHOPS

10am - 11.30am

Making bags & packs from Sculpey by Gérard de Troeye

Gérard will show you how to use this great material.

You can bring your own model on which you would like to place some accessories.

If we have time we shall prepare your makings for casting and do so on the same day.

The actual castings will of course be available later.

12am - 1pm

The origins and evolution of British armour « Power Point » by George Moore

In english with french translation by RESICAST

1.30pm - 3.30pm

Weathering technics by Christophe Nachtergaele

So easy but one still has things to learn!

Christophe will show you how to use the different products now available on the market but also some tricks of his own.

You can bring your own model and products. Christophe will have pleasure in helping you with the weathering.

VARIOUS

Each visitor will receive a welcome pack. This will not only contain various UK accessories but also a special figure by Gérard (not available separately under normal conditions)

Each customer will receive a tombola ticket to win a RESICAST figure painted by Christophe Nachtergaele. There will be three different figures available.

As usual free drinks and food.

Access to our « reject box »

Special discount on all RESICAST items.

So that we can welcome you in the best possible manner it is important for me to know if you will be visiting and/or attending a workshop.

Please confirm this by email no later than 20 May.
