## ABT701 DAMAGED MAGAZINE 01

4.95€

English / Spanish  
76 pages

Damaged is the new magazine from Abteilung 502, and also the newest member of AK's big family. This new Publication wants to show modellers how to weather any type of subject, under any circumstance with various effects. Fernando Vallejo, AK's president, takes matters into his own hands and selects all the best modellers to show their best models, creations and special curiosities. Inside this magazine you can find various subjects like a truck, a ship to a tank, spaceship ship, trains....etc.

Damaged is the manual for weathered and worn models.

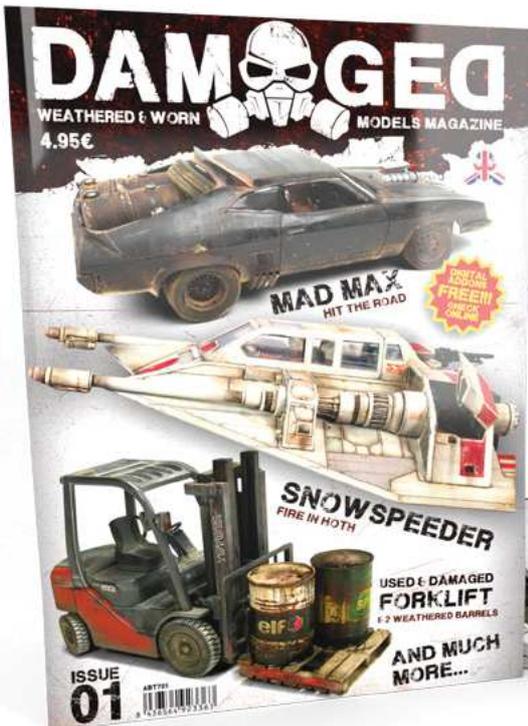

# DAMAGED

WEATHERED & WORN MODELS MAGAZINE

## A NEW STATE OF MIND

Fernando Vallejo has conceived this new publication as a personal challenge to show all the modellers the infinite possibilities this great hobby has to offer. A new way of thinking shaped along with the world's best modellers.

One of the main features of this new publication is the content. This may vary from any kind of model in any situation. The main focus is to show a new or a revamped technique or curiosities and anything that can make a model special and unique.
