## AK2270

### WW1 GERMAN AIRCRAFT COLORS

18,40€

This set offers the modeller, the seven colors that are essential for replicating the camouflage patterns that were most commonly seen on German aircraft, operated during World War One. Also included is the Grey-Green Primer color that was typically used for painting all metal panels and fittings.

This set contains:

- AK 2271** WWI German Fokker Grey
- AK 2272** WWI German Light Green
- AK 2273** WWI German Dark Green
- AK 2274** WWI German Mauve
- AK 2275** WWI German Red Brown
- AK 2276** WWI German Light Blue
- AK 2277** WWI German Lilac
- AK 2278** WWI German Grey-Green Primer

## AK2280

### WW1 RFC & RNAS AIRCRAFT COLORS

9,20€

This set includes the four colors that are indispensable for painting models of the British aircraft used during World War One. Included are two variants of the PC10, the PC12, and the Battleship Grey colour that had been commonly used for painting the metal panels.

This set contains:

- AK 2281** PC10 Early
- AK 2282** PC10 Late
- AK 2283** PC12
- AK 2284** Battleship Grey

## AK2290

### CLEAR DOPED LINEN

6,60€

Regardless of their origins, most of the aircraft from the World War featured clear doped linen surfaces. This set offers the modeller, the three most common shades, including a whitish tone necessary for bleached linen finishes.

This set contains:

- AK 2291** Clear Doped Linen
- AK 2292** Clear Doped Linen ver.2
- AK 2293** Bleached Linen
